

ROBERT A. SUSK

ATTORNEY AT LAW

Overview

Litigation, legislation, and regulatory proceedings present costs in dollars, time, and distraction. An outside perspective, built on extensive business and legal experience, provides the basis for vital guidance to governing boards and executive management.

Experience

More than thirty years of experience in complex commercial litigation, governmental relations, business, and investment.

Perspective

Comprehensive knowledge of law, business, and political affairs that brings a unique perspective to the table, and clarity to the decision making process.

Guidance

A broad understanding of diverse, interconnected fields, coupled with a unique perspective on legal and business affairs, provides the foundation for strategic guidance developed to achieve business goals.

Solutions

Business and litigation counsel to governing boards and executive management through the identification of key business objectives and the development and execution of creative, multidisciplinary strategies for success.

Approach

- Identify and evaluate core business objectives
- Assemble team from key disciplines
- Develop strategy to achieve business objectives
- Manage implementation of strategy

Areas of Practice

- Competitive Practices and Antitrust
- Technology and Internet Policy
- Financial Institutions
- Real Estate and Land Use
- Public Policy and Governmental Relations
- Business Analysis and Strategy

About

Robert A. Susk is a veteran attorney and businessman who has been based in the San Francisco Bay Area for over 30 years.

Mr. Susk has in-depth knowledge of business, competitive practices, antitrust law, financial institutions, real estate, land use, and governmental relations. His expertise in these fields has led to his collaboration with an array of businesses including multi-national corporations, financial institutions, venture and private equity backed businesses, and professional investors.

Mr. Susk has conducted numerous complex trials and appeals in both state and federal courts. He has managed matters involving local, state, and federal agencies and governmental bodies, and has acted as a policy advisor to both state and federal government officials on Internet and technology issues.

Mr. Susk has served as managing partner of a law firm and as CEO of early stage technology ventures including eFinance, healthcare, and digital media. He has served on several private, government, and non-profit boards, and has served as a councilmember and mayor of the Town of Woodside, California. Through his broad experience, Mr. Susk has developed a strong network of relationships in the business, legal, and governmental communities.

Mr. Susk received his law degree from the University of San Francisco School of Law, where he served as a judicial extern for the Supreme Court of California. He received his bachelor's degree from Santa Clara University.
